Miguel Portovedo

ELECTRICAL ENGINEER

Profile

- Dedicated, hardworking, and committed to becoming a dependable and valuable team member.
- Currently working as Junior Outsystems Consultant, but it does not fulfill my professional aspirations.
- Fast learner with great ambition to improve myself.
- One and a half years' experience working in dynamic and fast paced teams.
- Great adaptability to new objectives and good problem-solving capabilities.
- Problem-solving, critical thinking, attention to detail, time management and innovation are some of the soft skills achieved in my professional and academic path.

Employment History

Network Planning and Optimization Engineer, Capgemini Engineering, Fundão

AUGUST 2021 — NOVEMBER 2022

- Allocated to Nokia GDC on a NOS 5G project where I would plan 2G/3G/4G and 5G network sites.
- Use of tools such as Atoll, NetAct, Microsoft Excel, Access and Sharepoint.
- Great dynamism and team-work accomplished.

Junior Outsystems Consultant, Noesis, Coimbra

NOVEMBER 2022 — PRESENT

- Allocated to Internal projects, where I help developing an E-Learning App.
- Use of tools such as Outsystems Service Studio.
- Code languages: SQL, CSS and Javascript.
- Team-work is a key factor while developing an application.

Education

Bachelor's degree on Electrical and Computing Engineering, Universidade da Beira Interior, Covilhã

SEPTEMBER 2017 — JULY 2021

Extra-curricular activities

Vice-President, ELECTRUBI, Covilhã

DECEMBER 2018 — DECEMBER 2020

- As a vice-president I would do a little bit of everything, since events, to academic lectures.
- Leadership, sense of responsibility and team work were a big part of this project.
